

FUNDRAISING STRATEGIES

Superticket —

The superticket provides an all-in-one program that combines mulligans, raffle tickets and on course contests in one package for the golfers to purchase at registration. This is a no-risk program designed to maximize additional revenues at our event. This ticket is fully customizable. Please contact a sales associate for strategies on how this can help raise revenues.

Silent Auction Consignment —

Signature Services can provide unique eye catching consignment artwork and sports memorabilia that will add to any existing silent auction program. For those fundraising events that do not have a silent auction, this is a perfect way to raise additional funds without any additional risk.
